Supermarkets	Carrefour / Comper / Pão de Açúcar / Frama are all within walking distance
Pharmacy	Pague Menos, Drogasil, Dosi are within 500m of the Hotel. Pharmacies on the street are often open until around 11pm. There's also a Drogasil in the shopping mall.
Uber / taxi	Uber works fine in Campo Grande, although can be a wait after midnight. For taxis, we recommended you ask the hotel to call one for you – even if you are away from the hotel, just be at a landmark so the taxi can find you. Taxis are around 1.5x to 2x Uber price.
Safety in day/night	Campo Grande is a rather safe city in Brazil, there's a low chance of anything happening. Still, better not to 'ask for trouble' by being careless with belongings like wallet or phone in your back pocket, or walking around late at night.
